# YOUR PERSONAL CARPET PVC

**Montecolino Spa**, nella sua continua ricerca di nuovi articoli, ha ideato questa collezione di tappeti in **PVC** stampati con tecnologia digitale. La collezione **YOUR PERSONAL CARPET PVC** è una raccolta di disegni di assoluta tendenza che spazia dalla riproduzione di antiche pavimentazioni in ceramica a moderni geometrici passando da effetti tessili pied de poul e scozzesi. La possibilità di avere i tappeti in tantissimi formati li rendono adatti a tutti gli ambienti della casa: grandi formati per soggiorni e sale da pranzo, formati intermedi per camere da letto e passatoie per ingressi e cucine. Il progetto **YOUR PERSONAL CARPET PVC**, oltre a proporre svariati disegni, dà la possibilità ad ognuno di crearsi il **PROPRIO TAPPETO** semplicemente partendo da una foto o un disegno che verranno elaborati dal nostro ufficio grafico e riprodotti sullo speciale supporto antiscivolo.

*Montecolino Spa, in its constant search for new articles, has created a new collection of PVC carpets printed with digital technology. YOUR PERSONAL CARPET PVC collection is a collection of absolute trend designs ranging from the ancient ceramic flooring to modern geometries, sweeping from textile effects like pied-de-poule and tartan. The opportunity to have rugs in many formats make them suitable for all the rooms of the house: large formats for living rooms and dining rooms, middle formats for bedrooms and runners for entrances and kitchens. YOUR PERSONAL CARPET PVC project, as well as offering various designs, gives everyone the chance to create their OWN CARPET simply starting from a photo or a design that will be processed by our graphics and printed on the special PVC support.*
